Job Location: Ottawa

SkyAlyne is a proud partnership between Canadian aviation and defence leaders, CAE and KF Aerospace, formed to provide a truly Canadian solution for Canada's Future Aircrew Training (FAcT) Program, Canada's next-generation military aircrew training program.

SkyAlyne has been named by Canada as the preferred bidder for the FAcT Program, and we are staffing our National Capital Office in anticipation of a Contract Award in 2024. The scope of the FAcT Program contract includes all training and in-service support requirements needed to prepare Pilots, Air Combat Systems Officers, and Airborne Electronic Sensor Operators to meet the future aerospace requirements of the Royal Canadian Air Force. In collaboration with the Government of Canada and several major Canadian subcontractors, SkyAlyne will provide live-flying, simulator and classroom-based training, facilities construction and management, information management and information technology support, site support services, aircraft maintenance and much more.

SkyAlyne offers competitive compensation and benefits and believes strongly in a safe, diverse, equitable, inclusive, and environmentally friendly workplace.
